

Based on a philosophy of casual elegance,
we serve gastronomy grounded and inspired by the
art of grilling over wood with the very best micro
seasonal British produce & influences from Japan.

H U M O

For us at HUMO, the flickering of the flames as
wood catches fire has always been mesmerising.
Since we were children we have always been
fascinated with the explosions of energy; the
crackling, the colours, the movement of the
flames and the shadows of the smoke. Maybe
it's the security and peace this brings to us or
maybe it's the unpredictability and power it has,
but we believe, in one way or another, we are all
enchanted by fire.
